

Cells Surface, BG030

Reggiani
No. T.BG030.NNV8

Cells Surface is a range of surface-mounted luminaires for IP66 and IK10 ceiling or wall installation. The luminaire modules can be joined together using the special connector to create more complex lighting configurations. Cells comes in a wide range of finishes and is perfect for lighting urban areas, outdoor pathways, public and private facilities, parking lots and multi-storey car parks. The connector comes in the same standard finishes as the luminaire body and can be used to join a number of Cells luminaires together, thereby creating modular, flexible and aesthetically unique lighting systems. The anti-glare accessories and adjustable brackets make the luminaire even more flexible and fitting for a myriad of applications.

| Technical | | Photometric | |
|-----------|-------|-------------|-----------|
| Mounting | | Colour Temp | 4000K |
| Flux | 910lm | Dimming | PHASE CUT |
| IP Rating | IP66 | Beam Angle | 68° |
