

w182 Pastille C1

Wastberg

No. 182C13009

A disc of pure light, attached to a thin line, who'd guess that an object so geometrically simple could be so versatile, so adaptable to different situations? With its imaginative approach, innovative materials and sophisticated mechanics, w182 Pastille not only offers high-end performance at a mid-range price; it rethinks the way we relate to the light around us.
