

w221 Medium Pendant S1

Wastberg

No. 221S120271

With their starkly reduced silhouettes, exaggerated dimensions and beautiful light, the w151 Extra large pendant and w201 Extra small pendant never fail to impress. The scope of these elemental, archetypal conical forms is further broadened with w221 Medium pendant – specifically tailored to situations where its predecessors are too large or too small. Whether suspended above a dining area or a conference table, its perfectly balanced presence echoes the lightness and precision seen in its siblings. Carefully and expertly illuminating any space it finds itself in, w221 Medium pendant can be trusted to create a welcoming atmosphere and a heightened spatial experience.
