

Yori Semi-recessed, Ø43mm Precision - Trimless

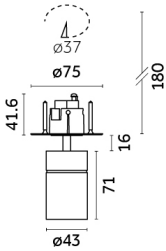

Reggiani

No. X.TM31A.HQ12

Minimalism and rigour in the service of functionality, Yori is a high performance luminaire with a compact footprint. Two simple bodies combined by a simple joint allow the optical section to be adjusted. Yori is designed for the most innovative LED lamps, and is configured for mounting on tracks, inside channels, recessed, onto surfaces and inside grooves in ceilings, thanks to the new version with telescopic boom. Its versatility and elegant design make Yori the ideal solution for accent lighting in business, residential and exhibition spaces.
